ORDER

(Order of the Court was made by
the Hon'ble Chief Justice)

It appears that petitioners are having a personal grievance against private respondents for having made illegal construction and having already filed a suit against private respondents, petitioners have filed the present writ petition seeking issuance of direction to official respondents to take action against private respondents since they are running an educational institution.

2. We are not inclined to entertain this writ petition because petitioners' main grievance appears to be of private nature, for which, they have already taken recourse to civil proceedings.
