2. The petitioner is the plaintiff and he filed a suit for partition. The suit was filed in the year 2022. A perusal of the adjudication papers filed in the typed set of papers shows that pleadings of parties are completed and the suit is in the stage of framing of issues. Though the suit was posted for framing of issues as early as 10.04.2024, till date the issues have not been framed.

3. It is seen that the plaint was amended and now the matter is adjourned for filing of additional written statement by the respondents.
