Directing the 2nd respondent herein to return the original driving license (DL No. TN21X 19970000077) to the petitioner forthwith.

For Petitioner(s): Mr.K.Hariharan
For Respondent(s): Mr.M.Shajaha, SGP-R2
Mr.Meganathan, GA(Crl.Side)R1

O R D E R

Heard Mr.Hariharan for the petitioner, Mr.Meganathan for R1 and Mr.M.Shajahan for the R2

2.The petitioner is an employee of the Tamil Nadu State Transport Corporation (TNSTC). He was assigned to drive a vehicle bearing registration

No. TN-01-AN-4689 by his employer. During the course of his employment, on 01.12.2025 the vehicle met with an accident. On account of the accident, one of the persons involved in the accident passed away. Hence, the 1st respondent registered a complaint in Crime No. 686/ 2025 under Sections 281, 106(1), and 125(a) of Bharatiya Nyaya Sanhita, 2023 read with Sections 134 and 187 of the Motor Vehicles Act. The petitioner was summoned for investigation and was called upon to produce his driving license. He also did so. The 1st respondent, taking note of the fact that it is the case of fatality, had forwarded the petitioner's license to the 2nd respondent to initiate appropriate proceedings. Since the petitioner has been deprived of his driving license, his employer is not giving him any duty. Hence, he is before this Court.

3. Mr.K.Hariharan, relying upon the judgment of the Division Bench of this Court in *P.Sethuraman -vs- Licensing Authority* reported in **2010 WLR Page No.100 [DB]** pleads that in case of a fatal accident, action with regard to the license of the driver of the offending vehicle can be initiated only after the criminal proceedings have been concluded. He states that as on today, the police has not filed charge sheet and the matter is still under investigation. Hence, he requests this Court to apply the aforesaid judgment and pass appropriate orders.

4. Mr.Meganathan, appearing for the 1st respondent, pleads that the 1st

respondent took up the investigation after it was brought to his notice that three vehicles were involved in the accident, which resulted in a fatality. The police registered an FIR immediately seizing the license of the petitioner and forwarded the same to the 2nd respondent.

5. Mr.M.Shajahan, appearing for the 2nd respondent states that the 2nd respondent is duty bound to initiate proceedings in terms of the Motor Vehicles Act and the Rules made thereunder.

6. When it is found that the licensee was driving the offending vehicle, then the questioning of returning the license does not arise.

7. I have carefully considered the submission of both sides and have gone through the records.

8. The issue presented in this writ petition is no longer *res integra*. It is well settled by the judgment, which has been referred to by Mr.K.Hariharan cited *supra*. The Division Bench has held that in case of fatal accidents, the licensing authority can initiate action against the licensee, only after the Court dealing with the criminal proceedings finds the licensee guilty. Admittedly in this case, the proceedings still at the stage of investigation. By applying the said

judgment to the facts of the present case, the petitioner will be entitled for his license to be returned.

10. Immediately on passing the order, Mr.M.Shajahan produced the driving license of the writ petitioner. Mr.K.Hariharan has received and has duly acknowledged the same. As the grievance of the petitioner has been addressed, no further orders are necessary.

11.The writ petition is allowed. No costs.
