(Order of the Court was made by **N.SATHISH KUMAR, J.**)

This Writ Petition has been filed seeking a direction to the 3rd respondent herein to remove the encroachment comprising in 73/1 Survey No.344/23 55 Nir S.Kallampatti, Melur Taluk, Madurai District and rescue the same and to allot the rescued land to the landless poverty people or any other public purpose and further directing the 4th respondent herein to take legal action against the respondents 5 and 6 herein for unauthorized construction within a time stipulated by this Court.

W.P.(MD)No.1780 of 2026

2. The petitioner has filed this Writ Petition as a Public Interest Litigation in his capacity as an advocate. According to him, respondents 5 and 6 and their family members have encroached upon Government lands. The subject property has been classified as Grama Natham in the Adangal. The petitioner further submits that the respondents 5 and 6 have occupied the land beyond the extent mentioned in the patta. Aggrieved by the same, the petitioner has filed the present Writ Petition.

3. The learned Additional Government Pleader appearing for respondents 1 to 4 submitted that respondents 5 and 6 are in possession of the Grama Natham. He further submitted that a Full Bench of this Court, in *Nallasivam vs. The District Collector, by order dated 06.03.2026*, while answering a reference, has held that occupied Grama Natham lands do not vest with the Government. Consequently, the provisions of the Land Encroachment Act, 1905, cannot be invoked in respect of such occupied Grama Natham lands.

4. In view of the above, as the land in question is a Grama Natham and is in the possession and occupation of respondents 5 and 6, this Court does not find any merit in the Writ Petition.

W.P.(MD)No.1780 of 2026

5. Accordingly, this Writ Petition is dismissed. There shall be
no order as to costs.
