ORDER

This writ petition is filed for a Mandamus, directing the respondents to pay interest to the petitioner at the rate of 6% per annum, for the period of delay from the date of retirement till the date of actual disbursement in paying the retirement benefits, within the time stipulated by this Court.

2. The case of the petitioner is that he joined as a Driver in the respondent Transport Corporation on 01.09.2002 and he retired from service as Selection Grade Driver, on 30.05.2024. However, the retirement benefits, namely, Provident Fund, Gratuity and encashment of leave were settled to him only on 03.12.2025. Since the benefits have been settled belatedly, the respondent is liable to pay interest for the belated payment. Therefore, the

petitioner gave a representation dated 15.12.2025 to the respondent, however, the same did not evoke any response. Therefore, the petitioner has filed this writ petition for the above said relief.

3.Mr.K.Ramaiah, learned Standing Counsel takes notice for the respondents and submits that the retirement benefits have been settled to this petitioner, however, belatedly.

4. By consent of both the parties, the writ petition is taken up for final hearing at the admission stage itself.

5. This Court paid its anxious consideration to the rival submissions made and also perused the materials placed on record.

6. The employer is liable to settle the retirement benefits to its employees without any delay and in case, if it is settled belatedly, it has to be compensated by way of interest for the belated payment. In this regard, the Hon'ble Apex Court in ***S.K.Dua vs.***

common order dated 04.07.2014, has fixed the rate of interest at 6% per annum and held as under:-

“5. even though there is no provision in the Tamil Nadu State Transport Corporation Employees Pension Fund for payment of interest, cannot stand in the light of the law laid down by the Supreme Court in S.K.Dua v. State of Haryana and another, reported in (2008) 3 SCC 44. As a matter of fact, the Rules do not contemplate belated payment of retirement benefits. The Rules contemplate prompt payment. When the Rules contemplate prompt payment and not belated payment, the Rules will not contain a provision for payment of interest. The Pension Fund which was created as a Trust by the Corporation was supposed to act in trust for the employees' benefit. If the Trust could not make payments within the time stipulated, then, irrespective of whether there is any provision for payment of interest or not, the Corporation is obliged to make payment.”

8. Following the dictum laid down on this issue, the writ petition is disposed of with a direction to the respondent/Transport Corporation to pay interest for the belated

payment of retirement benefits at the rate of 6% per annum from the date of retirement till the date of actual disbursement, within a period of six months from the date of receipt of a copy of this order.
