fifth respondents to relegate the parties to the competent Civil Court, without proceeding further with the survey of the land comprised in Survey No.75/7A2, situated at Allikundam Village, Usilampatti Taluk, Madurai District.

2. With the consent of the parties, this Writ Petition is taken up for final disposal at the admission stage itself, dispensing with the notice to the private respondents, as no adverse orders are proposed to be passed against them.

3. This Court, by an order dated 09.09.2025 in W.P.(MD) No.24404 of 2025, on a request made by one Ramya, the sixth respondent herein, directed that her application for survey of the land shall be considered and that the survey shall be conducted after putting all the parties, including the objectors, if any, on notice.

4. The learned counsel for the petitioner would submit that there are objections to the conduct of the survey and that the survey has been scheduled without conducting any enquiry and without issuing notice to the petitioner.

W.P.(MD) No.2373 of 2026

5. The learned Government Advocate appearing for the first to third respondents would submit that the impugned order itself constitutes the survey notice issued to all the concerned parties, including the petitioner, informing them of the date of the survey.

6. Since the petitioner alleges that no notice has been issued to him, this Court is of the view that in accordance with the direction passed in W.P.(MD) No.24404 of 2025, the petitioner shall be put on notice. His objections shall be recorded before concluding the process of survey.

7. With the above observations, this Writ Petition is disposed of. No costs. Consequently, the connected Miscellaneous Petitions are closed.
