4.This Court paid its anxious consideration to the rival submissions made and also perused the materials placed on record.

5.Admittedly, the petitioner has rendered service in the respondent Corporation from the year 1996 till 2024. While disbursing the retirement benefits, it appears that the benefit of earned leave surrendered by the petitioner has not been settled to him. Therefore, this Court directs the respondent to disburse the amount for the earned leave surrendered to the petitioner together with 6% interest, from the date of retirement till the date of actual disbursement, within a period of eight weeks from the date of receipt of a copy of this order, if not settled already. Accordingly, this writ petition is allowed. There shall be no order as to costs.
