The prayer in this Review Petition is seeking to review the order passed in W.A.(MD)No.1417 of 2022 dated 11.09.2023.

2. The brief factual background in which the review arises is that the first respondent/Writ Petitioner is a Secondary Grade Teacher. While so, she got incentive increment on the basis of the post graduate degree obtained by her.

3. The contention of the review petitioners is that the first respondent/Writ Petitioner did not obtain prior approval from the appropriate authority. The said ground did not find favour with the learned Single Judge, and the Writ Appeal filed by the review petitioner was also dismissed by the order under review.

4. The learned Additional Advocate General appearing for the review petitioners would submit that it is required on behalf of the first respondent/Writ Petitioner to obtain prior approval vide G.O.M.s.No. 944, Education (D2) Department, dated 29.07.1989. He would further

submit that the learned Single Judge proceeded on the ground that it is only an additional qualification. In any event, once such a requirement exists, the teacher should have complied with the same.

5. In reply, the learned counsel appearing for the first respondent/Writ Petitioner would submit that G.O.M.s.No.944, Education (D2) Department, dated 29.07.1989 was put to challenge before this Court in W.P.(MD)No.14085 of 2015 and by judgment dated 26.11.2020 already the said Government Order has been quashed. Aggrieved by the same, the review petitioners herein had also filed W.A. (MD)No.570 of 2021 which was also dismissed and the order of the learned Single Judge stood confirmed by the judgment of this Court dated 14.11.2025.

6. In view thereof, the reason stated in the review no longer exists, and finding no merit, the review stands dismissed. There shall be no order as to costs.
