Unless enter upon permission is granted by the District Collector, the first respondent cannot proceed with the work.

3. In view of the above said facts, it is clear that without getting enter upon permission from the second respondent, the first respondent is attempting to lay tower line in the private property of the writ petitioner. Accordingly, a direction is issued to the respondents not to put up any tower line in the private property of the writ petitioner without obtaining enter upon permission order from the District Collector.

4. With the above said observation, this Writ Petition stands disposed of. There shall be no order as to costs. Consequently connected Miscellaneous Petition is closed.
