2.The contention of the petitioner is that the fifth respondent has encroached upon Survey Field Nos.557/1 and 557/2, which are stated to be a public pathway. The 'A' Register also indicates the same. In this regard, the petitioner submitted a representation dated 26.02.2026 before the authority concerned. Since the same has not been considered so far, the petitioner has filed the present Writ Petition.

3.The learned Additional Government Pleader appearing for respondents 1 to 3, on instructions, submitted that insofar as Survey No.557/1 is concerned, it is a private property. However, Survey No.557/2 is a Government property.

4.The learned counsel appearing for the fifth respondent submitted that the fifth respondent has filed a suit in O.S.No.220 of 2020 on the file of the Additional District Munsif Court, Manapparai, as against the petitioner herein and five others, seeking the relief of declaration and injunction, wherein the civil Court has granted a limited order of injunction

5. In such circumstances, the third respondent is directed to conduct a proper survey in the presence of all the parties, after issuing notice to the petitioner, the fifth respondent and other interested parties, if any, and demarcate the 'A' and 'B' Schedule properties. If it is found that the 'B' Schedule property is a Government property and that there is any encroachment therein, the same shall be removed by the authority concerned after affording sufficient opportunity of hearing to all the parties concerned, including the fifth respondent, and by following due process of law. Such an exercise shall be completed within a period of three months from the date of receipt of a copy of this order.

There shall be no order as to costs.
