This writ petition is filed challenging the impugned order dated 13.10.2025. By the said order passed under Section 73 of the TNGST Act, 2017, for the tax period 2021-22, it is noted there are certain defects, including excess claim of ITC availed, etc.

2. The learned counsel for the petitioner submits that as the entire exercise was conducted only by uploading the show cause notice and the order in the portal, the petitioner could not make use of the opportunity.

3. The learned Additional Government Pleader would submit that as per the Act and the rules framed thereunder, uploading of the show cause notice as well as the order amounts to service and therefore, without availing the opportunity, belatedly, the present writ petition is being filed.

4. I have considered the rival submissions made on either side and perused the assessment order, the grounds on which the defects are noted

and the tax liability on the other heads imposed. I have also considered the reason that is mentioned in the affidavit filed in support of the writ petition for not participating in the assessment proceedings.

5. On an overall consideration of the facts and circumstances of the case, I am of the view that one opportunity can be granted to the petitioner, however, on condition to deposit 25% of the disputed tax amount.

6. In this case, it is represented by the learned Counsel for the petitioner that already 42% of the tax liability has been realized. In view thereof, this writ petition is allowed on the following terms:

- (a) The impugned order, dated 13.10.2025 shall stand set aside and the matter is remanded back to the file of the respondent for fresh disposal;
- (b) It will be open for the petitioner to appear before the respondent and file a reply and also place on record such documents in support of its claim and to raise all grounds, both factual and legal, before the respondent;
