without availing the opportunity, belatedly, the present writ petition is being filed.

4. I have considered the rival submissions made on either side and perused the assessment order, the grounds on which the defects are noted and the tax liability on the other heads imposed. I have also considered the reason that is mentioned in the affidavit filed in support of the writ petition for not participating in the assessment proceedings.

5. On an overall consideration of the facts and circumstances of the case and the fact that on account of cancellation of registration, there is only limited access to the portal for viewing the documents alone, I am of the view that one opportunity can be granted to the petitioner, however, on condition to deposit 25% of the disputed tax amount.

6. In view thereof, this writ petition is allowed on the following terms:

- (a) Within four (4) weeks from the date of receipt of the web copy of the order, without waiting for the certified copy of the order, the
