3. In view of the above, the petitioner is directed to submit a fresh application with the requisite fee. The first respondent / Tahsildar, with the assistance of the second respondent, shall survey the property and fix the four boundaries. If the first respondent requires any police protection, the same may be granted by the third respondent. The petitioner shall install the boundary stones at the said place. If there is any objection from Respondents 4 and 5, the same shall be recorded. If the parties are aggrieved by the same, they are at liberty to approach the competent Civil Court to establish their rights. The official respondents shall adhere to the following Standard Operating Procedures:

- The official respondents shall issue notice to the petitioner immediately reaching the spot where survey is to be conducted. The petitioner shall affix the signature by receiving the notice of survey.
- After survey again the petitioner shall affix signature indicating that the survey was conducted to their satisfaction.
- If the petitioner is not satisfied, then also the petitioner shall affix signature indicating their dissatisfaction or with protest. The petitioner shall indicate
