Taluk, Madurai District. This purchase was made from one Krishnan through a registered sale deed (Doc.No.7522/2010) dated 06.08.2010. After the purchase, the revenue records were updated, and the patta was issued in the petitioner's name. The petitioner is now seeking to have the property surveyed. However, the first respondent has declined the request, citing a lack of clarity regarding the property's boundaries.

3. The learned Additional Government Pleader appearing for the respondents submitted that the respondents' specific objection lies in the fact that the petitioner is requesting a survey of the property located in Survey Nos. 43/46 and 43/47. However, there are no survey stones available in those areas, and the survey stones are only located in Survey Nos. 43/8 and 43/9. The petitioner was directed to circulate a sketch indicating the location of the property. The petitioner has produced a sketch indicating the properties in Survey Nos. 43/8 and 43/9, which encompass a larger area, with a smaller portion marked as Survey Nos. 43/46 and 43/47. The petitioner seeks to survey this smaller portion of land.
