Prayer: Civil Revision Petition is filed under Article 227 of the Constitution of India, to set aside the order passed by the Subordinate Court, Kulithalai, in I.A.No.236 of 2017 in O.S.No.29 of 2018 dated 19.09.2018.

For Petitioner : Mr.K.Suresh
For R2(died) : Mr.K.Govindarajan

ORDER

It is seen from the records that the death of the second respondent was recorded by this Court vide its order dated 25.07.2024, till date, the petitioners have not taken any steps to bring on record the legal representatives of the deceased second respondent. Therefore, the Civil Revision Petition is dismissed as against the second respondent.

2.It is further seen that the civil revisioin petition arises out of the dismissal of an application for amendment of the plaint in the final decree proceedings arising from a partition suit. The dismissal of the revision as against one of the sharers, namely, second respondent, would render the civil revision petition useless as against the other respondents as well. Since the order passed in the revision had attained finality as against one of the sharers, namely, the second respondent and the decree for partition is inseparable, the revision cannot be proceeded with against the other respondents also.

Accordingly, the Civil Revision Petition stands dismissed as against all the respondents. No costs.
