ORDER

This writ petition is filed challenging the impugned refusal check slip dated 26.02.2026.

2. When the petitioner presented a sale deed for registration of five plots in Survey Nos. 438/11 and 438/12., the same is now refused for registration. The reason that is contained in the impugned refusal check slip is that the plots form part of an unapproved layout known as MAM Chettinadu Gardens. The original promoters had also included Survey No. 438/5 in the total layout. Survey No. 438/5 belongs to Tamil Nadu Boomidhan Board. Therefore, the document presented by the petitioner is ordered to be refused.

3. If any plot belonging to Boomidhan board is dealt with by the parties, certainly it will be open for the respondents to refuse for registration in view of Section 22A of the Act, by conducting an appropriate enquiry as directed by the Division Bench of this Court in ***Sudha Ravi Kumar and another vs. The Special Commissioner and Commissioner, Hindu Religious and charitable Endowments Department, Chennai and others***, reported in (2017) 3 CTC 135. But however, in this case, even though in the layout, there may be other plots which is forming part of the Government

interest land, as far as the plots that are now being conveyed the sale deed presented is concerned, the same does not form part of Survey No.438/5.

Therefore, there cannot be any impediment for registering the present sale date.

4. Accordingly, this writ petition is allowed on the following terms:

(i) the interim refusal check slip dated 26.02.2026 shall stand set aside and the document shall be represented by the petitioner within a period of two weeks from the date of receipt of the web copy of the order.

(ii) Upon representation, if there is no other impediment, the same shall be registered.

(iii) No costs.
