Taluk, Nagercoil, Kanyakumari District, within a time frame to be stipulated by this Court.

2.The fifth respondent has filed a status report stating that the subject land is earmarked for a park. It is further stated that the estimated cost for the development of the Children's Park would exceed Rs.30,00,000/-. Such expenditure cannot be met from the ordinary General Fund available with the fifth respondent Corporation. Since the proposed work is a capital infrastructure project and not a routine maintenance activity, it requires separate administrative and financial sanction from the competent authority.

3. The learned Standing Counsel appearing for the fifth respondent submitted that the fifth respondent would forward the proposal along with a Detailed Project Report (DPR) for the establishment of the Children's Park to the first respondent. Upon obtaining the necessary financial sanction from the first respondent, the fifth respondent would take immediate steps for the implementation of the project and establishment of the Children's Park.
