respondent police.

ORDER : The Court made the following order :-

The petitioners, who apprehend arrest at the hands of the respondent for the offences punishable under Sections 9(B)(1)(a) of Indian Explosives Act, 1884, in Crime No. 225 of 2026 on the file of the respondent police, seek anticipatory bail.

2. The case of the prosecution is that based on the secret information, on 21.04.2026, when the defacto complainant was conducting a search, they found that the petitioners were doing fire works illegally within the Fireworks Factory, which was already locked by the Authorities, without having any lifesaving jackets and precautionary measures. Hence, the case.

3. The learned counsel for the petitioners would submit that the petitioners are innocent and they were falsely implicated in this case and they are no way connected in the above said incident. They have not committed any offence as alleged by the prosecution. He would further submit that no one was injured in this case. Hence, he prayed to grant

4. The learned Government Advocate (Crl. Side) would submit that based on the complaint given by the defacto complainant, a case has been registered for the offences punishable under Sections 9(B)(1)(a) of Indian Explosives Act, 1884, in Crime No. 225 of 2026. He further submits that the first petitioner has six previous cases, which are similar in nature and the other petitioners have no previous case. He would further submit that the investigation is pending and the offences are grave in nature and hence, he opposed to grant anticipatory bail to the petitioners.

5. Heard both sides and perused the materials available on record.

6. Considering the rival submissions made on either side and the nature of offences charged against the petitioners, and considering the facts that no one was injured in this case and though the first petitioner has six previous cases, in all cases bail was granted to him and other petitioners have no previous case, I am inclined to grant anticipatory bail
