The petitioners, who apprehend arrest at the hands of the respondent for the offences punishable under Sections 109, 191(2), 191(3) and 296(b) of BNS, 2023, in Crime No.71 of 2026 on the file of the respondent police, seek anticipatory bail.

2. The case of the prosecution is that on 25.04.2026, at about 3.30 p.m., due to previous enmity, the petitioners and the other accused are alleged to have attacked the defacto complainant with an aruval and a knife, thereby causing injuries. Hence, a case has been registered against the accused for the aforesaid offences. Hence, this petition.

3. The learned counsel for the petitioners would submit that the petitioners are innocent and they have not committed any offence as alleged by the prosecution and their names have been falsely implicated in this case. Hence, he prays to grant anticipatory bail to the petitioners.

4. The learned Government Advocate (Crl. Side) fairly submits that due to wordy quarrel between the defacto complainant and the

petitioners, the occurrence happened and injured was discharged from the hospital and also the petitioners have no previous case. However, he opposes to grant anticipatory bail to the petitioners.

5. Heard both sides and perused the materials available on record.

6. Considering the rival submissions on either side and the nature of offences charged against the petitioners and considering the facts that the injured was discharged from the hospital and no previous case is pending against the petitioners, I am inclined to grant anticipatory bail to the petitioners with certain conditions.

7. Accordingly, the petitioners are ordered to be released on bail in the event of arrest or on their appearance, on condition that the petitioners shall execute a bond for a sum of Rs.10,000/- (Rupees Ten Thousand only) each with two sureties each for a like sum to the satisfaction of the learned Judicial Magistrate, Thirumangalam, Madurai District within a period of fifteen days from the date on which the order copy is made ready and on further conditions that:
