ORDER

This writ petition is filed challenging the impugned show cause notice issued by the 1st respondent dated 15.05.2026.

2. On a perusal thereof, it can be seen that the notice is in the nature of requesting the petitioner to appear for the enquiry on 23.05.2026 and to showcase why further orders should not be passed with reference to illegal mining of earth in the patta lands belonging to the petitioner.

3. The learned counsel appearing for the petitioner would submit that the apprehension of the petitioner is that the conclusion is foregone and even the quantum of mineral seems to have been decided even without hearing the petitioner. The case of the petitioner is that they only leveled their field and did not mine the earth.

4. Per Contra, learned Government Advocate appearing on behalf of the 1st respondent would submit that the entire exercise is being carried out pursuant to the interim directions that were given in W.P(MD)No.6960 of 2026.

5. As a matter of fact, drone survey was conducted. The petitioner participated during the survey and we are very much part of the enquiry and the enquiry process is on and final orders will be passed in accordance with law.

6. I have considered the rival submissions made on either side and perused the material records of the case.

7. The impugned order is only a show cause notice and all contentions including the quantity of the mineral, whether it is mined or it is only leveled, all can be raised before the authority.

8. The petitioner at this stage would submit that the drone survey report is not at all supplied to the petitioner. The officer who was present

in Court immediately supplied a copy of the survey report in the open court itself.

9. The authority will dispassionately consider the same. Therefore, even though the show cause notices directed filing of reply and appearance before 23.05.2026, this writ petition is disposed of with the following directions:-

- i. Within one week from today, it shall be open to the petitioner to submit an additional reply to the respondent. Thereafter, an opportunity of personal hearing shall be afforded to the petitioner at a time convenient to the respondent, and final orders shall thereafter be passed in accordance with law.
- ii. The entire exercise shall be completed within a period of 8 weeks from the date of receipt of a web copy of the order.
- iii. No costs. Consequently, connected miscellaneous petitions are closed.
