ORDER

This Writ Petition challenges the impugned refusal check slip. The document is refused registration under Section 22-A of the Registration Act, 1908, on the ground that the property is conveyed as a residential plot or for residential use without approval from the planning authority to convert the site into a residential one. In this case, the petitioner contends that the land is conveyed as such, without changing its use.

2. In such cases, the matter is no longer *res-integra* and is governed by the Judgement of this Court in ***Sankarakumar & another -Vs- The Sub-Registrar, Panpozhi (W.P.(MD) No.29522 of 2025)***. This Court considered the purport of Section 22-A(2), the need to balance the Constitutional Right of the owners of the property under Article 300-A with the enforcement of development control legislation and the rules framed thereunder. It held that, irrespective of the location of the land, if the executant and the claimant of the

document express an intention to use the property as such, without converting its nature, then, irrespective of the size of the land, boundary, abutting a pathway/road, etc., the document shall be registered, on condition that affidavits in four sets be executed and filed before this Court, the Sub-Registrar, the local body and the TANGEDCO. It is made clear that the party breaching the undertaking will also be liable for contempt of this Court, in addition to other actions.

3. The affidavit containing the following undertaking shall be executed by the claimant in whose favour the title vests under the document:

“I undertake not to use the property as a residential/commercial site or such other change of user, unless due permission is obtained from the planning authority. Without due approval, I will not develop the site by changing its use, and will not put up any residential or commercial building. I am aware that I may be liable to punishment for contempt of Court for violating this undertaking. I am also aware that I will not be entitled to claim electricity connection or water, sewerage, and other connections or services from the local authority or any other authority unless due conversion is made as per the permission of the planning authority.”
