2. The case of the prosecution is that the respondent filed an FIR in Crime No.131 of 2025 for an alleged offence under Section 303(2) of BNS, 2023 and Section 21(1) of the Mines and Minerals (Development and Regulation) Act, 1957, for illegal transport of minerals through Tipper Lorry bearing Reg. 4. Heard the learned counsels on either side and carefully perused the materials available on record.

5. The learned Government Advocate (Criminal side) appearing for the respondent submitted that if the vehicle is returned to the petitioner, there is possibility for the vehicle being used for the commission of similar offence and objected to grant interim custody of the vehicle to the petitioner.

6. The learned counsel appearing for the petitioner would submit that the vehicle, namely, Tipper Lorry bearing Reg. No. TN 55 V 6161 is owned by the petitioner and he is the owner of the said vehicle. He was not involved in any such offence as alleged by the respondent and the petitioner is not the accused and if the vehicle is kept in open place, the vehicle will get deteriorated and the value of the vehicle would automatically stand diminished and therefore interim custody of the vehicle may be granted to the petitioner.

7. Considering the fact that if the vehicle is kept in open place exposing to sun and rain, the value of the vehicle will be deteriorated and that no purpose will be served in keeping the vehicle in custody, this Court is inclined to allow
