judicial custody on 21.05.2026 for the offences punishable under Sections 8(c), 20(b)(ii)(A) of NDPS Act, 1985 r/w Section 77 of Juvenile Justice (Care and Protection of Children) Act, 2015, in Crime No.295 of 2026 on the file of the respondent police, seeks bail.

2. The case of the prosecution is that on 21.05.2026, at about 05.00 p.m, when the respondent police were on patrol duty at Rajapalayam, near Mariamman Temple Ground, found that the petitioner and other accused were in illegal possession of 500 grams of ganja meant to be sold to the school going children. Hence, the case.

3. The learned counsel appearing for the petitioner would submit that the petitioner is innocent and he was falsely implicated in this case and he has not committed any offence as alleged by the prosecution. He would further submit that the petitioner has been arrested and remanded to judicial custody on 21.05.2026. Therefore, prayed to grant bail for the petitioner.

4. The learned Government Advocate (Crl.Side) appearing for the

respondent would submit that the petitioner and other accused were found in illegal possession of 500 grams of ganja and the investigation is still pending. Hence, he strongly opposed to grant bail to the petitioner. He would further submit that though the petitioner has 1 previous case, the same was already disposed of.

5. This Court heard both sides and perused the materials available on record.

6. Considering the rival submissions made by the learned counsel on either side, nature of offence, and the quantity involved in this case is not a commercial quantity and though the prosecution stated that the petitioner has 1 previous case, the same was already disposed of and as on date, no previous case is pending against the petitioner and also considering the period of incarceration undergone by the petitioner, this Court is inclined to grant bail to the petitioner subject to the following conditions:

[a] Accordingly, the petitioner is ordered to be released on bail on condition to execute a bond for a sum of
