3.Mr.S.Venkatesh, learned counsel for the State, accepts notice for the first respondent. Considering the limited relief sought for by the petitioner, notice to respondents 2 and 3 is dispensed with.

4.It is the contention of the petitioner that the respondents 2 and 3 have encroached upon the public pathway/public road in the subject property. In this regard, the petitioner submitted a representation dated 09.04.2026 before the authority concerned. Since the same has not been considered so far, the petitioner has filed the present Writ Petition.

5.The learned counsel appearing for the State/first respondent, on instructions, submitted that the petitioner's representation dated 09.04.2026 would be considered and that the authorities concerned would conduct a survey of the land in question in the presence of all the parties concerned. He further submitted that appropriate action would be taken to remove the encroachment, if any.

If the survey reveals any encroachment, the authorities concerned shall take necessary action for removal of such encroachment, after affording sufficient opportunity of personal hearing to all the parties concerned and by following due process of law, within a period of three months thereafter.

7.With the above directions, this Writ Petition stands disposed of. No costs.
