2. The petitioner claims to be the owner of the property in which the service connection are installed. The petitioner further states that the third respondent, on the basis of a fraudulent sale deed, obtained sanction of the said Service Connections and therefore requested the respondents to cancel the service connection.

3. Whether the sale deed in favour of the third respondent is the fraudulent document or not is a matter which requires adjudication before the jurisdictional civil Court. Therefore, I do not find any illegality in the impugned order passed by the second respondent.

4. Accordingly, the Writ Petition is dismissed reserving liberty to the petitioner to approach the appropriate jurisdictional civil Court for agitating his right in accordance with law.
