... Respondents

ORDER:

This Writ Petition is filed under Article 226 of Constitution of
India seeking the following relief/s:-

“...pleased to issue an Order, Direction or Writ, more particularly a Writ of MANDAMUS declaring the action of the 2nd respondent in issuing the impugned notification No.(L and O)/M4/ 3140/2010. dated. 30/06/2010 passed by the 2nd respondent as illegal, arbitrary, discriminatory, violative of Article 14, 19 (I) (g) of the Constitution of India, contrary to the provisions of the Hyderabad City Police Act, 1348 Fasli and consequently set-aside the same against the petitioner, in the interest of justice and grant...”

2. Heard Mr. Mohd Subhan Pasha, learned counsel for the petitioner and Mr.D.Pradeep, learned Assistant Government Pleader for Home appearing for respondents.

3. Learned counsel for the petitioner submits that the respondent police authorities are interfering with the petitioner's business under the guise of the impugned notification. Aggrieved by such interference, the present petition has been filed seeking appropriate directions.

4.1. Learned Assistant Government Pleader for Home, appearing for the respondents, submits that crime was registered against the petitioner and after completion of investigation, a charge sheet was filed. Further submits that during the course of investigation, the respondents/police authorities interacted with the petitioner and inspected the premises concerned. The allegations of interference by the police with the petitioner's business activities are, therefore, baseless, as the respondents have acted strictly in accordance with the legal procedures established by law.

4.2. Additionally, he fairly submits that a Coordinate Bench of this Court, in several similar writ petitions, has permitted petitioners to continue their business operations subject to

compliance with certain specified conditions, and has clarified that any violation or transgression of applicable notifications or statutory provisions would entitle the respondents/police authorities to take appropriate action in accordance with law. He, therefore, prays that a similar order be passed in the present case.

5. I have carefully perused the material available on record.

6. As rightly pointed out by the learned Assistant Government Pleader for Home, this Court, in W.P. Nos. 16281 and 16419 of 2010 and the connected batch of matters, vide order dated 28.09.2022, permitted the continuance of business operations, subject to compliance with certain stipulated conditions. The relevant portion of the judgment is extracted hereunder:

“In view of the submissions of learned counsel for both sides, these Writ Petitions are disposed of in terms of order dated 04.02.2021 in I.A.No.1 of 2020 in W.P.No.24410 of 2020, permitting the petitioners to run the massage centers

subject to maintaining a record in the register to be maintained by the massage centers containing the dates of visits of the customers, their names and verifiable addresses together with the phone numbers, so as to enable the police to contact them on the aspect of the request to the owner/manager/operator of the massage centers to provide for the help from the opposite sex.

Further, it shall be open to any police officer not below the rank of a Sub-Inspector of Police attached to any police station to verify once in a while such records maintained by the massage centers and he shall also be at liberty to verify as to whether the

particular customer has solicited any such special service from the massage centre or not.

It is also open to the police to take appropriate action depending upon the result of any such verification and also considering the fact that whether the cross massage service provided to the customers is in professional manner or not. Police are also entitled to investigate into crimes, if any, reported against the petitioners.

Petitioners are also directed not to keep the main door of the premises closed, during the working hours. Subject to these conditions, the petitioners may be permitted to carry on the business, duly taking all necessary and proper precautions to ensure that no incident of immoral activity is carried on under the guise of providing whole body massage."

7. Having regard to the facts and circumstances of the case, and in the interest of justice, this Court deems it appropriate to permit the petitioner to continue business operations, subject to the strict and scrupulous adherence to the guidelines set forth in the preceding paragraphs. Ordered accordingly.

8. It is, however, clarified that such continuance of business shall be subject to compliance with all statutory requirements and executive notifications in force. In the event of any deviation by the petitioner from the above mentioned guidelines or a violation of the conditions of the notification, the respondents/police authorities shall be at liberty to take appropriate action in accordance with law.

9. Accordingly, the Writ Petition is disposed of. There shall be no order as to costs.

Pending miscellaneous applications, if any, shall stand closed.
