5th OCTOBER, 2026.

Between:

AND

The State of Telangana,

Secretariat, Hyderabad and (3) others.

... Respondents

O R D E R :

With the consent of both parties, this Writ Petition is taken up for disposal at the admission stage.

2. This writ petition is filed declaring the action of Respondent No.3 in issuing the Intimation of Refusal vide Refusal Order dated 15.12.2023 as arbitrary and illegal and consequently direct the Respondent No.3 to register and release the Sale Deed P.163/2023 dated 14.02.2023 presented by the Petitioner in respect of House constructed on Plot No. 224 admeasuring 150 Sq Yards with an plinth area 200 Sq Feet in Sy.No.1004/Part Roof covered with ACC situated at

Ameenpur Municipality and Ameenpur Mandal, Sanga Reddy District without reference to Refusal Order dated 15.12.2023.

3. Heard Sri V.Yadu Krishna Sainath, learned counsel for the petitioner and Ms.S.Sravanthi, learned Assistant Government Pleader appearing for the respondents and perused the record.

4. The learned counsel for the petitioner submits that the petitioner entered into sale deed with his vendor Mr.Kohinoor Chandra Sekhar and executed a sale deed on 14.2.2023. However, when the petitioner approached respondent No.3 for registration of the sale deed, the same was initially kept pending vide document P.No.163 of 2023 dated 14.2.2023, respondent has refused to register the sale deed, which is wholly unsustainable. The learned counsel further submitted that the issue involved in this writ petition is squarely covered by the order passed by this Court in W.P.No.16310 of 2019 and batch dated 11.1.2023 and also recent judgment of the Hon'ble Supreme Court in **K.Gopi v. The Sub-Registrar**[1] and requested to pass similar order in this writ petition also.

5. Learned Government Pleader appearing for the respondents has not disputed the submission of the learned counsel for the petitioner.

6. A perusal of the impugned Refusal Order dated 15.12.2023, discloses that the registration of the sale deed presented by the petitioner was refused on the following reasons:

> "Registration of the document is refused as it is a part of an unauthorized layout and is in violation of the Commissioner and Inspector General, Registration and Stamps Memo No.G2/257/2019 dated 26.8.2020 and 29.12.2020.
>
> As per the instructions of the Commissioner and Inspector General of Registration and Stamps Endorsement No.CIG MAIL/AR/2008 dated 2.1.2008 unregistered and validated document cannot be accepted as a valid link document for registration. Further, the C&IGRS through Memo No.13450/2007 dated 21.7.2008 instructed registering authority to verify title document before registration".

7. In this context, it is to extract the relevant portion of the order in W.P.No.16310 of 2019 and batch dated 11.01.2023, which is as under:

> "13. The power of the registering authority to refuse registration is only, if any of the grounds or objections that are enumerated under the provisions of the Registration Act, 1908, and the Rules made

thereunder in particular Sections 19, 20, 21, 22-A, 34, 35 and rule 58 of the Telangana Rules under the Registration Act, 1908, are existing in respect of any such document presented for the registration. Except, the grounds or objections that are enumerated under the provisions of the Registration Act, 1908, the registering authorities have no authority to refuse registration of a document on any other ground. As already noted above, the ground on which the impugned refusal orders in all these batch of Writ Petitions are passed is that the link document shown in the respective documents is a validated and an unregistered document. By looking into a validity of the link document, the registering authority is indirectly verifying whether the executants of the respective documents are having valid title or not to execute the documents in question. As held in the above referred judgment in the case of **Dr. Yadla Ramesh Naidu** (1 supra), the registering authority is not entitled to go into the title of the parties to the document. It is a settled law that the vendee under a document will not get a better title than his vendor and in case if vendor is not having a valid title over the property which is the subject matter of a particular document, the vendee under the said document does not get any title over such property and mere registration of such document will not have an effect on the property which is the subject matter of the said document.

14. As rightly conceded by the learned Government Pleader for Stamps and Registration, the registering authorities are not entitled to refuse registration of a document on mere ground that the title of the executants of the respective document is based upon the validated document, though the same is compulsorily registerable document cannot be accepted and such a ground is not available to the registering authorities to refuse registration of a document on that ground.

...

19. In the light of the above, this Court is unhesitant to hold that the respondent registering authorities are not entitled to refuse

registration of a document on the ground that the link document referred to in the respective document is a validated document or to refuse registration of such document by placing reliance on endorsement, dated 02.01.2008, issued by the Commissioner and Inspector General of Stamps and Registration. Accordingly, the impugned orders in the respective Writ Petitions are set aside and Writ Petitions are allowed with a further direction to the respondent registering authorities to receive the returned documents and to process the same subject to the condition of the said documents complying with the provisions of the Registration Act, 1908 and the Indian Stamp Act, 1899."

8. In ***K.Gopi's*** case (1 supra), the Hon'ble Supreme Court held as under:

"The registering officer is not concerned with the title held by the executant. He has no adjudicatory power to decide whether the executant has any title. Even if an executant executes a sale deed or a lease in respect of a land in respect of which he has no title, the registering officer cannot refuse to register the document if all the procedural compliances are made and the necessary stamp duty as well as registration charges/fee are paid. We may note here that under the scheme of the 1908 Act, it is not the function of the Sub-Registrar or Registering Authority to ascertain whether the vendor has title to the property which he is seeking to transfer. Once the registering authority is satisfied that the parties to the document are present before him and the parties admit execution thereof before him, subject to making procedural compliances as narrated above, the document must be registered. The execution and registration of a document have the effect of transferring only those rights, if any, that the executant possesses. If the executant has no right, title, or

interest in the property, the registered document cannot effect any transfer."

9. In view of the above, following the judgment of the **Hon'ble Supreme Court in K.Gopi v. The Sub Registrar** (supra) and the order passed by this Court in W.P.No.16310 of 2019 and batch dated 11.1.2023 and in terms thereof, this writ petition is disposed of, directing the respondent authorities to receive, register and release the document bearing P.No.163/2023 presented by the petitioner in respect of the subject property, without reference to the Intimation of Refusal Order dated 15.12.2023, subject to the condition that the said document complies with the provisions of the Registration Act, 1908 and the Indian Stamp Act, 1899.

Miscellaneous petitions, if any, pending shall stand closed. There shall be no order as to costs.
