SUDEEPTI SHARMA J. (ORAL)

1. The present contempt petition has been filed for deliberate and intentional disobedience of order dated 30.09.2019 passed by the Division Bench of this Court in LPA-793-2016, whereby the following order was passed:-

“17. In the present case, the workman- respondent No.2 has given up claim for back wages. Only reinstatement with continuity of service but without back wages has been directed by the Ld. Single Judge.

18. We find no illegality or perversity in the aforesaid order warranting interference. This appeals are accordingly dismissed.

with the Executing Authority and respondent No.2 - the workman was given liberty to withdraw the same. If the compensation has been withdrawn by the workman, the same may be recovered by the appellant in easy instalments.”

2. Learned counsel for the respondents submits that as per directions given by the Division Bench of this Court, the petitioner, who had withdrawn the compensation, was to pay the same to the respondent-company, which is till date not paid, whereas learned counsel for the petitioner contends that the amount mentioned by the Division Bench is being deducted by the respondents from the salary of the petitioner.

3. A perusal of the order shows that no contempt is made out.

4. In view of the above, the present contempt petition is **dismissed**.

5. Pending application(s), if any, also stand disposed of.
