....Petitioner

Versus

STATE OF PUNJAB

....Respondent

CORAM:- HON'BLE MS. JUSTICE RUPINDERJIT CHAHAL

Present:- Mr. Vivek K. Thakur, Advocate for the petitioner.

Mr. Rahul Jindal, AAG Punjab.

.....

RUPINDERJIT CHAHAL, J. (ORAL)

1. Prayer in the present petition filed under Section 482 of the BNSS, 2023 is for grant of anticipatory bail to the petitioner in case FIR No.302 dated 21.11.2025 registered under Section 21 of the Narcotic Drugs and Psychotropic Substances Act, 1985 (Sections 27-A, 29 of the NDPS Act added later on) at Police Station Anti Narcotic Task Force, District Anti-Narcotic Task Force Wing, Ferozepur (Annexure P-1).

2. Brief facts, as per the prosecution case, are that on 21.11.2025, S.I. Hardev Singh along with his fellow police officials acting upon a secret information apprehended co-accused Sandeep Singh @ Seepa who was found in conscious possession of 50 kgs and 14 grams of *Heroin*. Initially, the FIR in question was registered against the said co-accused person.

3. Learned counsel for the petitioner contends that the petitioner has been falsely implicated in the present case. He further contends that the petitioner was neither present at the spot, nor was named in the FIR and he has no concern with the said incident. He further contends that the petitioner has been nominated as an accused only on the basis of the disclosure statement made by co-accused Sandeep Singh @ Seepa. Apart from the disclosure statement, there is no other evidence to connect the petitioner with the offence in question and it is a trite law that disclosure statement of the co-accused during his/her custodial interrogation is not admissible in evidence. No recovery is to be effected from the petitioner. Learned counsel for the petitioner further submits that the petitioner is ready and willing to join the investigation as and when called upon to do so by the investigating agency.

4. After registration of the FIR, investigation has been initiated and is under way. Apprehending his arrest, the petitioner had moved an application for grant of anticipatory bail which has been dismissed by learned Judge, Special Court, Ferozepur vide order dated 13.02.2026.

5. On the other hand, learned State counsel has filed the status report and relying upon the same has opposed the prayer for grant of anticipatory bail, by submitting that the allegations levelled against the petitioner are serious in nature as he has been specifically named by the co-accused person Sandeep Singh @ Seepa. He submits that apart from the disclosure statement there are CDRs connecting the petitioner with the co-accused person Sandeep Singh @ Seepa. He has further argued that

6. Heard.

7. In the present case, the allegations against the petitioner are serious in nature. Apart from the disclosure statement there are CDRs between the petitioner and the co-accused person Sandeep Singh @ Seepa connecting him with the co-accused. The investigation so far points towards deeper probe for which custodial interrogation of the petitioner is required.

8. Considering the gravity of the allegations, the custodial interrogation of the petitioner is required for fair and effective investigation in the matter and to bust the drug nexus.

9. There is steady increase in smuggling of illicit drugs these days. The increasing instances of drug smuggling in India pose a grave threat not only to the security of the nation but also impacts the youth of the nation.

10. It is befitting to mention here that while considering a plea for grant of anticipatory bail, the Court has to equilibrate between safeguarding individual rights and protecting societal interest(s). The Court ought to reckon with the magnitude and nature of the offence; the role attributed to the accused; the need for fair and free investigation as also the deeper and wide impact of such alleged iniquities on the society. It would be apposite to refer herein judgment of Hon'ble Supreme Court in '**State Vs. Anil Sharma**', (1997) 7 SCC 187, wherein it has been held as under:

"6. We find, force in the submission of CBI that custodial interrogation is qualitatively more elicitation-oriented than questioning a suspect who is well-ensconced with a favourable order under Section 438 of the Code. In a case like

this, effective interrogation of a suspected person is of tremendous advantage in disinterring many useful information and also materials which would have been concealed. Success in such interrogation would elude if the suspected person knows that he is well protected and insulated by a pre-arrest bail order during the time he is interrogated. Very often interrogation in such a condition would reduce to a mere ritual. The argument that the custodial interrogation is fraught with the danger of the person being subjected to third degree methods need not be countenanced, for, such an argument can be advanced by all accused in all criminal cases. The Court has to presume that responsible police officers would conduct themselves in a responsible manner and that those entrusted with the task of disinterring offences would not conduct themselves as offenders."

11. Accordingly, this Court finds no merit in the present petition in the factual matrix of the case in hand. Moreover, custodial interrogation of the petitioner is necessary for effective investigation and if it is denied, it will leave many loose ends, which is not desired. Thus, the present petition being devoid of merits is hereby dismissed.

12. It is made clear that nothing said hereinabove shall be deemed to be an expression of opinion upon merits of the case/investigation.
