CORAM: HON'BLE MR. JUSTICE PARMOD GOYAL

Present: None for appellants.

Mr. Brij Bhusan, Advocate
for respondent No.3-Insurance Company.

PARMOD GOYAL, J. (ORAL)

Being aggrieved by the impugned award dated 28.07.2003 passed by the Motor Accident Claims Tribunal, Karnal (hereinafter referred to as '**Tribunal**'), vide which the claim petition preferred appellants-claimants was dismissed, appellants-claimants, parents of deceased minor child, have preferred present appeal.

2. Since, in present appeal, the only issue raised by appellants-claimants is with regard to dismissal of claim petition on the ground of compromise being effected between the parties in previous claim petition, the detailed facts as regards to manner of accident are not being adverted to herein for the sake of brevity.

3. Admittedly, appellants-claimants had earlier filed a MACT petition (Ex.R-4) seeking compensation. The said MACT case was dismissed as withdrawn on 20.09.1997 vide Ex.P-3 by the appellants-claimants on the basis of compromise effected amongst the parties outside

the Court and statement of appellant Ex.P-2. Accordingly, learned Tribunal has rightly dismissed the claim petition of the appellants-claimants while holding that appellants-claimants are estopped from filing the second claim petition after having compromised in their first claim petition by their own act and conduct.

4. In view of above, I do not find any illegality in the award passed by the learned Tribunal as the appellants-claimants have already withdrawn his claim petition as per compromise outside the Court, therefore no interference in present appeal is warranted.
5. Appeal is accordingly dismissed
6. Pending application(s), if any, stand disposed of.
