**IN THE HIGH COURT OF PUNJAB AND HARYANA
AT CHANDIGARH**

(118)

CWP-10614-2026

Date of Decision : April 08, 2026

Union of India and others

.. Petitioners

Versus

Ex. NK Satvir Singh and another

.. Respondents

**CORAM: HON'BLE MR. JUSTICE HARSIMRAN SINGH SETHI
HON'BLE MR. JUSTICE DEEPAK MANCHANDA**

Present: Ms. Shalini Atri, Senior Panel Counsel, for the petitioners.

HARSIMRAN SINGH SETHI J. (ORAL)

1. In the present writ petition, the challenge is to the impugned order dated 23.10.2024 (Annexure P-3) passed by respondent No.2-Armed Forces Tribunal, Regional Bench Chandigarh, (hereinafter referred to as 'the Tribunal') by which, respondent No.1 has been allowed the benefit of rounding off of the disability element of disability pension @ 40% for life from the day next to date of his discharge from service i.e. 01.08.1993 to 31.12.1995 and the same be rounded off @ 50% as against 40% w.e.f. 01.01.1996 onwards on the ground that the same is perverse.

2. Learned counsel for the petitioners places reliance upon the report of medical examination of respondent No. 1 to contend that though the disability of "*Subarachnoid Haemorrhage-430*" as assessed @ 40% has been found in respondent No.1, but same has been assessed as neither attributable to Military service nor aggravated by the Military service hence, the grant of benefit of rounding off of the disability element @ 50% as

against 40% w.e.f. 01.01.1996 by placing reliance upon the judgment of in

CWP-10614-2026

2

Dharamvir Singh vs. Union of India and others, (2013) 7 SCC 316 and ***Civil Appeal No.418-2012 Union of India and others vs. Ram Avtar, decided on 10.12.2014*** is incorrect and the facts of the present case have not been appreciated in correct perspective by the Tribunal while passing the impugned order dated 23.10.2024 (Annexure P-3).

3. We have heard learned counsel for the petitioners and have gone through the case file with her able assistance.

4. It is conceded fact that at the time when respondent No.1 was discharged from service on 31.07.1993, he had already rendered 15 years of service with the petitioners-Union of India. It is also a conceded fact that at the time when respondent No. 1 joined the armed forces i.e. 22.07.1978, he was medically examined and was not found suffering from any such disease.

5. It should be noted that as per judgment in ***Dharamvir Singh's case (supra)*** in a case where army personnel is found to be fit at the time of enrolment, and has later found to be contracted with a disease, same is presumed to have been aggravated by and attributable to Military service as per Rules 5 & 9 of Entitlement Rules. The relevant para Nos.30, 32 and 33 of the judgment in ***Dharamvir Singh's case (supra)*** are as under:-

30. In the present case it is undisputed that no note of any disease has been recorded at the time of appellant's acceptance for military service. The respondents have failed to bring on record any document to suggest that the appellant was under treatment for such a disease or by hereditary he is suffering from such disease. In absence of any note in the service record at the time of acceptance of joining of appellant it was incumbent on the part of the Medical Board to call for records and

look into the same before coming to an opinion that the disease could not have been detected on medical examination prior to the acceptance for military service, but nothing is on the record to suggest that any such record was called for by the Medical Board or looked into it and no reasons have been recorded in writing to come to the conclusion that the disability is not due to military service. In fact, non-application of mind of Medical Board is apparent from Clause (d) of paragraph 2 of the opinion of the Medical Board, which is as follows:

“(d) In the case of a disability under C the board should state what exactly in their opinion is the cause thereof. YES Disability is not related to mil service”

32. In spite of the aforesaid provisions, the Pension Sanctioning Authority failed to notice that the Medical Board had not given any reason in support of its opinion, particularly when there is no note of such disease or disability available in the service record of the appellant at the time of acceptance for military service. Without going through the aforesaid facts the Pension Sanctioning Authority mechanically passed the impugned order of rejection based on the report of the Medical Board. As per Rules 5 and 9 of 'Entitlement Rules for Casualty Pensionary Awards, 1982', the appellant is entitled for presumption and benefit of presumption in his favour. In absence of any evidence on record to show that the appellant was suffering from "Generalised seizure (Epilepsy)" at the time of acceptance of his service, it will be presumed that the appellant was in sound physical and mental condition at the time of entering the service and deterioration in his health has taken place due to service.

33. As per Rule 423(a) of General Rules for the purpose of determining a question whether the cause of a disability or death resulting from disease is or is not attributable to service, it is immaterial whether the cause giving rise to the disability or death occurred in an area declared to be a field service/active service area or under normal peace conditions.

"Classification of diseases" have been prescribed at Chapter IV of Annexure I; under paragraph 4 post traumatic epilepsy and other mental changes resulting from head injuries have been shown as one of the diseases affected by training, marching, prolonged standing etc. Therefore, the presumption would be that the disability of the appellant bore a casual connection with the service conditions."

6. With regard to grievance of the petitioners qua grant of benefit of rounding off of disability element, as per the settled principle of law settled by Hon'ble Supreme Court of India in **Ram Avtar's case (supra)**, it has been held that an Armed Forces personnel is entitled to be granted the benefit of rounding off with regard to disability pension, irrespective of the fact that he was invalidated out of service, or retired on attaining the age of superannuation or on completion of his tenure of his engagement, if found to be suffering from some disability which is attributable or aggravated by the Military service. Relevant paras of the judgment in **Ram Avtar's case (supra)** are as under:-

"4. By the present set of appeals the appellant(s) raise the question, whether or not, an individual, who has retired on attaining the age of superannuation or on completion of his tenure of engagement, if found to be suffering from some disability which is attributable to or aggravated by the military service, is entitled to be granted the benefit of rounding-off of disability pension. The appellant(s) herein would contend that, on the basis of Circular No. 1(2)/97/D(Pen-C) issued by the Ministry of Defence,

Government of India, dated 31.01.2001, the aforesaid benefit is made available only to an Armed Forces Personnel who is invalidated out of service, and not to any other category of Armed Forces Personnel mentioned hereinabove.

5. We have heard learned counsel for the parties to the lis.

6. We do not see any error in the impugned judgment(s) and order(s) and therefore all the appeals which pertain to the concept of rounding-off of the disability pension are dismissed, with no order as to costs.

7. The dismissal of these matters will be taken note of by the High Courts as well as by the Tribunals in granting appropriate relief to the pensioners before them, if any, who are getting or are entitled to the disability pension.”

7. Learned counsel for the petitioners has not been able to dispute the said proposition of law having been settled by the Hon’ble Supreme Court of India in ***Ram Avtar’s case (supra)*** to the extent that the disability element is to be rounded off and in the present case, the disability of 40% is to be rounded off to 50%.

8. The Hon’ble Supreme Court of India in recent judgment passed in ***Civil Appeal No.11311 of 2025 decided on 01.09.2025 titled as Union of India and others vs. Reet MP Singh and another***, the grant of benefit of rounding off the disability as per ***Ram Avtar’s case (supra)*** has again been upheld, which fact has gone un-rebutted at the hands of the petitioners.

9. Keeping in view the facts and circumstances of the present case as well as settled principle of law settled in ***Ram Avtar’s case (supra)*** and ***Reet MP Singh’s case (supra)***, claim of respondent No.1 for the benefit of rounding off of the disability from 40% to 50% has rightly been allowed by the Tribunal.

10. No other argument has been raised.
