CM-5200-CWP-2026

Present application has been filed seeking condonation of delay of 238 days in filing the review application i.e. RA-CW-171-2026.

Keeping in view the averments made in the application, which are duly supported by an affidavit, the application is allowed. Delay of 238 days in filing the review application i.e. RA-CW-171-2026 is condoned.

RA-CW-171-2026

1. Present review application has been filed for reviewing the order dated 03.07.2025 (Annexure A-1) passed by the Coordinate Division Bench of this Court in CWP-17938-2026.

2. A bare perusal of the averments which have been made in the review application reveals that the intention of the review-applicant is to re-

argue the issue rather than pointing out any incorrect fact or discrepancy in facts, which has been relied by the Coordinate Division Bench of this Court to pass the order, of which the review is being sought.

3. The only argument raised, as noticed by the Bench was whether, the disability can be rounded off from 40% to 50%. The Coordinate Bench relying upon the judgment of the Hon'ble Supreme Court of India in ***Union of India and others vs. Ram Avtar 2014 SCC Online 1761***, held that the same was permissible and dismissed the writ petition. The only argument raised was with regard to benefit of rounding off and there was no argument raised with regard to the admissibility of the disability pension.

4. Once the benefit of disability pension was admissible, the benefit of rounding off of disability pension was also permissible keeping in view judgment passed in ***Ram Avtar's case (supra)*** hence, no ground is made out for review of the order dated 03.07.2025 (Annexure A-1) passed by the Coordinate Division Bench of this Court.

4. Accordingly, the present review application is dismissed.
