1. The petitioner through instant petition under Articles 226/227 of the Constitution of India is seeking direction to learned Additional District Judge, Sonipat to decide his application dated 16.03.2026 in a time bound manner. Judge, Family Court, Sonipat seeking visitation rights and to ensure access to medical information and decision pertaining to well-being of the child which is pending before the Court for 09.04.2026. Learned Family Court on 07.07.2025 directed respondent No.1 to produce child along with medical document but respondent No.1 did not comply with said order. He filed application seeking parenting time. Learned Family Court vide order dated 02.01.2026 directed respondent No.1 to hand over to petitioner medical records of minor child. Despite orders of the learned Family Court, respondent No.1 has not supplied him correct medical records of the child.

3. Learned counsel for the petitioner submits that respondent is filing forged documents and learned Family Court is relying upon those documents without verifying authenticity of those documents. This Court should intervene while exercising power under Articles 226/227 of Constitution of India.

4. From the perusal of record, it is evident that petitioner filed various applications with respect to visiting rights and medical record of his daughter. The applications were duly considered and adjudicated by Family Court. The matter is still pending between the parties. The petitioner claims that respondent is filing forged documents especially with respect to medical records of his daughter. The doctor is denying his signatures, thus, reports submitted by respondents are patently forged.

5. This Court while exercising power under Articles 226/227 of the Constitution of India does not find it appropriate to examine authenticity of alleged forged documents. The matter is pending before the learned Family Court, Sonipat and this Court is sanguine that learned Family Court,

Sonipat being competent Court would look into petitioner's grievance and

proceed in accordance with law. To resolve the dispute, learned Family Court may expeditiously adjudicate the matter.

6. Disposed of.
