**IN THE HIGH COURT OF PUNJAB AND HARYANA
AT CHANDIGARH**

116

CWP-11604-2026

Date of Decision : 20.04.2026

Union of India and others

.. Petitioners

Versus

Sanjay Narayan Sahay and another

.. Respondents

**CORAM: HON'BLE MR. JUSTICE HARSIMRAN SINGH SETHI
HON'BLE MR. JUSTICE DEEPAK MANCHANDA**

Present: Ms. Anita Balyan, Senior Panel Counsel for the petitioners.

HARSIMRAN SINGH SETHI J. (ORAL)

1. In the present petition, the challenge is to the impugned order dated 06.08.2021 (Annexure P-1) passed by respondent No.2-Armed Forces Tribunal, Chandigarh (hereinafter referred to as 'the Tribunal') by which, respondent No.1 has been allowed the benefit of disability pension along with benefit of rounding off the disability element from 50% as against 30% (composite) for life w.e.f. 01.12.2013.

2. Learned counsel for the petitioners places reliance upon the report of medical examination of respondent No. 1 to contend that though the disability of 'Primary Hypertension' has been found to be existing in respondent No.1, but the said disability has been assessed to be 'neither attributable to nor aggravated by the Military service'. Hence, the grant of benefit of disability pension along with benefit of rounding off @ 50% as against 30% to respondent No.1 for life by the Tribunal by placing reliance upon the judgment of in *Union of India and others vs. Ram Avtar, 2014*

SCC Online SC 1761 and Dharamvir Singh vs. Union of India and others,

**CWP-11604-2026****3**

prior to the acceptance for military service, but nothing is on the record to suggest that any such record was called for by the Medical Board or looked into it and no reasons have been recorded in writing to come to the conclusion that the disability is not due to military service. In fact, non-application of mind of Medical Board is apparent from Clause (d) of paragraph 2 of the opinion of the Medical Board, which is as follows:

“(d) In the case of a disability under C the board should state what exactly in their opinion is the cause thereof. YES Disability is not related to mil service”

32. In spite of the aforesaid provisions, the Pension Sanctioning Authority failed to notice that the Medical Board had not given any reason in support of its opinion, particularly when there is no note of such disease or disability available in the service record of the appellant at the time of acceptance for military service. Without going through the aforesaid facts the Pension Sanctioning Authority mechanically passed the impugned order of rejection based on the report of the Medical Board. As per Rules 5 and 9 of 'Entitlement Rules for Casualty Pensionary Awards, 1982', the appellant is entitled for presumption and benefit of presumption in his favour. In absence of any evidence on record to show that the appellant was suffering from "Generalised seizure (Epilepsy)" at the time of acceptance of his service, it will be presumed that the appellant was in sound physical and mental condition at the time of entering the service and deterioration in his health has taken place due to service.

33. As per Rule 423(a) of General Rules for the purpose

of determining a question whether the cause of a disability or death resulting from disease is or is not attributable to service, it is immaterial whether the cause giving rise to the disability or death occurred in an area declared to be a field service/active service area or under normal peace conditions.

"Classification of diseases" have been prescribed at Chapter IV of Annexure I; under paragraph 4 post

CWP-11604-2026

4

traumatic epilepsy and other mental changes resulting from head injuries have been shown as one of the diseases affected by training, marching, prolonged standing etc. Therefore, the presumption would be that the disability of the appellant bore a casual connection with the service conditions.”

6. Further, with regard to the grievance of petitioners qua the benefit of ‘rounding off of disability pension’ granted to respondent No.1 the same issue has been settled by the Hon’ble Supreme Court of India in ***Ram Avtar’s case (supra)***, wherein it has been held that any officer serving in the Armed Forces, who had undergone the medical examination at the time of his/her enrollment and was found fit, is subsequently found to be suffering with a disability, is entitled to the benefit of disability pension by rounding off the same as the presumption would be in favour of such employee, that the disability suffered during the service is attributable to the Military service. Relevant paras of the judgment in ***Ram Avtar’s case (supra)*** are as under:-

“4. By the present set of appeals the appellant(s) raise the question, whether or not, an individual, who has retired on attaining the age of superannuation or on completion of his tenure of engagement, if found to be suffering from some disability which is attributable to or aggravated by the military service, is entitled to be granted the benefit of rounding-off of

disability pension. The appellant(s) herein would contend that, on the basis of Circular No. 1(2)/97/D(Pen-C) issued by the Ministry of Defence, Government of India, dated 31.01.2001, the aforesaid benefit is made available only to an Armed Forces Personnel who is invalidated out of service, and not to any other category of Armed Forces Personnel mentioned hereinabove.

5. We have heard learned counsel for the parties to the lis.

**CWP-11604-2026****5**

6. We do not see any error in the impugned judgment(s) and order(s) and therefore all the appeals which pertain to the concept of rounding-off of the disability pension are dismissed, with no order as to costs.

7. The dismissal of these matters will be taken note of by the High Courts as well as by the Tribunals in granting appropriate relief to the pensioners before them, if any, who are getting or are entitled to the disability pension.”

7. Learned counsel for the petitioners has not been able to dispute the said proposition of law having been settled by the Hon’ble Supreme Court of India in **Ram Avtar’s case (supra)** to the extent that the disability element is to be rounded off and in the present case, the disability of 30% (composite) is to be rounded off to 50%.

8. Further, in a recent judgment in **Civil Appeal No.11311 of 2025 titled as Union of India and others vs. Reet MP Singh and another, decided on 01.09.2025**, the Hon’ble Supreme Court of India by placing reliance upon **Union of India and others vs. Ram Avtar, 2014 SCC Online SC 1761** as well as **Bijender Singh vs. Union of India and others, 2025 SCC Online SC 895**, has again reiterated that the benefit of rounding off the disability element cannot be denied.

9. Keeping in view the facts and circumstance of the present case as well as the settled principle of law settled in **Dharamvir Singh’s case (supra)**, **Ram Avtar’s case (supra)** as well as **Reet M.P. Singh’s case (supra)**, once at the time of enrollment, respondent No. 1 was medically examined and was found to be fit in all respects and it was only during his service period that respondent No.1 was found to be suffering from ‘Primary Hypertension’. That being so, the said disability has to be attributed to the military service and the unsubstantiated report of Medical

**CWP-11604-2026****6**

Board cannot take away the right of respondent No.1 to claim the benefit of disability pension and that too, by rounding off the disability as per the settled principle of law settled in ***Ram Avtar's case (supra)***.

10. Hence, in the absence of any perversity being pointed out in the impugned order dated 06.08.2021 (Annexure P-1) either on the basis of the facts or the settled principle of law, no ground is made out for any interference by this Court in the facts and circumstances of the present case and the writ petition is accordingly dismissed.

11. Pending application(s), if any, stands disposed of.
