1. In the present writ petition, the petitioner is praying for issuance of a direction to the respondents to grant one opportunity to the petitioner to participate in the physical measurement test and for the purpose of scrutiny of documents for consideration for appointment on the post of Sub Inspector in Punjab Armed Police.

2. A perusal of the facts of the case would show that respondent No.2 issued an advertisement in the year 2021. It transpires that on 16.12.2022, the candidates were called for physical measurement test. The petitioner could not appear in the physical measurement test on the ground that he was not well and a request was made by the petitioner for grant of

one more opportunity to the petitioner to appear in the physical measurement test. A perusal of the case would further show that there was no interim order passed in favour of petitioner by this Court. It has been brought to the notice of this Court that the process of selection has been completed in the year 2023 and even the appointments have been made in pursuance to the above advertisement. Taking into consideration that the process of selection is over and appointments have already been made and the selected candidates have not been arrayed as a party in the writ petition, no relief can be granted at this stage to the petitioner

- 3. In view of the above, the present writ petition stands dismissed.
- 4. Pending application(s), if any, shall also stand(s) disposed of accordingly.
