CM-6297-CWP-2026

Present application has been filed seeking condonation of delay of 30 days in filing the review application i.e. RA-CW-206-2026.

Keeping in view the averments made in the application, which are duly supported by an affidavit, the application is allowed. Delay of 30 days in filing the review application i.e. RA-CW-206-2026 is condoned.

RA-CW-206-2026

1. Present application has been filed for reviewing the order dated 19.02.2026.

2. The argument raised by the learned counsel for the review applicant-petitioners is that certain grounds were raised in the writ petition which have not been considered while passing the order dated 19.02.2026.

3. We have heard learned counsel for the review applicant-petitioners and have gone through the record with his able assistance.

4. It may be stated that the order was dictated in the open Court and whatever the arguments raised were considered and decided. Merely that an argument was raised in the writ petition but was not addressed at the time of hearing, is not required to be decided by the Court.

5. Keeping in view the above, no ground is made out for any interference by this Court in the present review application.

6. Accordingly, the review application is dismissed.

7. Civil miscellaneous application pending if any, also stands disposed of.
