CM-17285-CWP-2025

This is an application for placing on record Equivalence
Certificate dated 24.01.2025 as Annexure P-11.

For the reasons stated in the application, the same is allowed
and Annexure P-11 is taken on record.

CWP-13261-2023 (O&M)

The petitioner has approached this Court challenging the action
of the respondents in not permitting him to appear in the examination of
Diploma in Electronics and Communication Engineering. The ground of
challenge was that the petitioner did not possess the requisite eligibility for
admission. It transpires that the petitioner had obtained his qualification

from Nepal, which was not declared to be equivalent to the prescribed qualification.

The writ petition was entertained and interim protection was granted.

Learned counsel for the respondent(s) fairly concedes the factual position that during the pendency of the writ petition, such candidates have been granted the benefit and the equivalence certificate has been produced.

Once that be the case, there is no reason why the petitioner cannot be permitted to continue with the course.

Under the interim orders, the petitioner has also appeared in the examination. In such circumstances, the writ petition is disposed of with a direction upon the respondent(s) to declare the petitioner's result.

Pending applications, if any, also stand disposed of.
