

**IN THE HIGH COURT OF PUNJAB AND HARYANA AT
CHANDIGARH**

**CWP-16072-2026(O&M)
Date of decision: 21.05.2026**

Naresh Kumar and others

... Petitioners

Versus

State of Haryana and others

... Respondents

CORAM: HON'BLE MR. JUSTICE JAGMOHAN BANSAL

Present: Mr. Jasbir Singh Bazzad, Advocate, and
Mr. Paramvir Singh Doon, Advocate,
for the petitioners.

Ms. Svaneel Jaswal, Additional Advocate General, Haryana.

JAGMOHAN BANSAL, J. (ORAL)

1. The petitioners through instant petition under Article 226/227 of the Constitution of India are seeking direction to respondents to remove water logging which occurred in their agricultural fields due to heavy rainfall in 2025. They are further seeking direction to respondent No.2 to constitute a team to survey the damage caused to crops and immediately conduct a special Girdawari (field-level crop loss) in the affected khasras of villages of Kalanaur and Jindran Kalan as well as grant compensation to the tune of minimum Rs.15,000/- per acre.

2. The petitioners are farmers of villages Kalanaur and Jindran Kalan, District Rohtak. Their agricultural land due to heavy rainfall in the year 2025 was water logged. The authorities have turned a blind eye despite difficulties being faced by them. Due to water logging, they are not able to cultivate their crops. Some of them applied on e-Kshatipurti portal for

redressal of their grievance but to no avail. They preferred representation dated 27.04.2026 to the respondent No.2 pursuant to which compensation for Kharif crops only has been sanctioned.

3. Learned State counsel, on instructions from Mr. Hari Kishan, Under Secretary to Government Haryana, Revenue and Disaster Management Department, submits that revenue authorities have already conducted survey and forwarded their report to Revenue and Disaster Management Department. A sum of Rs.370 crore has already been sanctioned and it would be released within four weeks from today. It would be paid to all the eligible farmers. The grievance of petitioners with respect to water logging is under consideration. It has been found that few farmers are not permitting to drain out water collected in the neighbouring fields. Nevertheless, the authorities are considering the matter.

4. In the wake of statement made by learned State counsel, the petition stands disposed of with a direction that competent authority would look into grievance of the petitioners with respect to water logging. The needful may be done within two months from today.

5. Pending application(s), if any, also stands disposed of.
