SHEEL NAGU, CHIEF JUSTICE (Oral)

1. Learned counsel for the petitioner does not dispute that the regular physical functioning of the NCLT Chandigarh Bench has resumed.

1.1 However, it is contended that there are certain seepages in the building which houses the NCLT, for which it is countered by learned Senior counsel for Union of India that a tender has been issued and the work is in progress.

2. In view of above development, we would not like to keep this petition pending and accordingly dispose of the same with a direction to respondent Nos.1 and 4 to ensure completion of the repair work at the earliest, preferably within a period of two months, and a compliance report

in this regard be filed in the Registry, failing which the matter be taken up under the IOIN category.
