2. Counsel for the petitioner has made a reference to sanction letter dated 24.03.2014, to state that Municipal Corporation – respondent No.6 had granted sanction for construction of a residential building, but instead, respondent No.9 is running a hospital. Reference has also been made to the notices, Annexures R-3 to R-6, issued to respondent No.9, under Sections 261 and 262 of the Haryana Municipal Corporation Act, 1994, for demolition of the unauthorized construction. Counsel asserts that these documents show that request has been sent to the police authorities for providing police help for carrying out the demolition, but nothing has been done so far.
