FAO-2039-2016**Date of decision : 13.03.2026****Kapil****..... Appellant****versus****Union of India****..... Respondent****CORAM : HON'BLE MR. JUSTICE PANKAJ JAIN**

Present: Mr. H.P.S. Kochhar, Advocate
for the appellant (through V.C.)

Ms. Alisha Arora, Advocate
for the respondent/IOI.

PANKAJ JAIN, J. (Oral)

1. The present appeal has been preferred by the injured claimant-Kapil against the award dated 03.06.2015 passed by Railway Claims Tribunal, Chandigarh Bench, Chandigarh (hereinafter called the 'Tribunal') vide which he has been awarded compensation of Rs.50,000/- on account of injuries sustained by him in a railway accident dated 06.05.2012. The appellant had filed the claim petition under Section 16 of the Railways Claims Tribunal Act, 1989.
2. The present appeal has been preferred by the injured claimant for the enhancement of the amount of compensation.
3. Learned counsel for the appellant contends that appellant suffered left frontal compound depressed skull fracture, but has not undergone any operation or surgery for the injury sustained by him. Thus, he contends that the compensation awarded by the Ld. Tribunal is highly inadequate.

4. On the other hand, learned counsel for the respondent-UIO contends that there is no disability certificate on record to substantiate the injury suffered by the claimant. Thus, she contends that the claimant is not entitled for any enhancement for lack of evidence.
5. I have heard counsel for the parties and have carefully gone through the records of the case.
6. Since the Tribunal has already awarded compensation for non scheduled injury and the appellant failed to lead any evidence qua disability suffered or scheduled injury suffered by him/her in untoward incident, no ground for interference is made out in the present appeal.
7. Consequently, the present appeal sans merit and the same is hereby dismissed.
