H.S.GREWAL,J. (ORAL)

1. This order shall dispose of two petitions bearing CRM-M-45476-2025 and CRM-M-45577-2025 as these are arising out of same FIR. For brevity, the facts are being taken from CRM-M-45476-2025.

Khema, Harmandeep Singh @ Computer, Prabhjot Singh and Billa, was present in village Hans Kalan. They came to know that Maingal Singh had given beatings to their friend Kalu. Thereafter, they along with Kalu went to question Maingal Singh and at about 9:00 PM reached near his house. At that time, Maingal Singh was found driving a tractor. Jassa, armed with a *Tangli*, Ravi, armed with a *baseball bat*, Titu, armed with a *Toka*, Charna, armed with a *Toka*, Amrit, armed with a *Tangli*, and Mato, armed with a *Toka*, were also present there. Maingal Singh raised a lalkara and drove his tractor towards them with the intention to run them down and kill them. Upon this, they ran towards the fields. Sandeep Singh @ Khema, Billa and Kalu fled away on their motorcycle. Thereafter, Maingal Singh and his companions encircled the complainant and the others. Mato gave a *Toka* blow on the head of Rajwinder Singh @ Rajan, Jassa gave a *Tangli* blow on the neck of Rajan, while Titu gave *Toka* blows and Charna and Ravi also caused injuries to him. The complainant along with Harmandeep Singh @ Computer managed to run away. Thereafter, Harmandeep Singh @ Computer informed him that the dead body of Rajan was lying in the fields. The complainant along with others reached the spot and found the dead body of Rajan lying there.

3. Learned counsel for the petitioner submits that the petitioners have falsely been implicated in the present case. He further submits that the complainant and the other alleged injured witness did not support the prosecution version while appearing before the trial Court as PW-1 and PW-2.

4. Learned State counsel has vehemently opposed the prayer made by ld. counsel for the petitioners on the ground that the allegations against the petitioners are serious.

5. I have heard the submissions made by Id. counsel for the parties and perused the record.
6. Keeping in view the facts and circumstances of the present case and considering the nature of allegations, which pertain to the commission of an offence punishable under Section 302 IPC, wherein both the petitioners are alleged to be members of an unlawful assembly and to have committed the murder of the deceased, namely Rajan, this Court finds that the allegations levelled against the petitioners are grave and serious in nature. It is a settled principle of law that the gravity and severity of the offence is one of the paramount considerations while adjudicating a petition seeking the concession of anticipatory bail. The petitioners have committed the heinous offence. In view of the seriousness of the allegations and the role attributed to the petitioners, this Court does not find it to be a fit case for grant of anticipatory bail to the petitioners. Therefore, the present petitions are without any merit and the same are hereby dismissed.
