Kurukshetra since the year 2010 and is also getting education there itself and whenever the complainant's father Suresh Kumar brings the complainant Vansh at home, he runs away from home and goes back from his home to village Kheda where he is getting his education. The respondent party i.e. the parents of Vansh, want to educate him further and in this regard, the respondent party has paid a fee of Rs.5,000/- to get reserved a seat in college for Vansh's further studies. But the complainant Vansh deliberately does not want to come to his parents to humiliate them, the respondent party was asked about the documents related to the education of the complainant Vansh Sharma, wherein, it has been reported that the said documents are with Vansh Sharma only and further, the mother of the complainant is suffering from cancer and is in the third stage of her disease and loves the complainant, but the complainant is harassing them by filing an application against them with the intention of harassing them so that his parents do not meet him. Hence, on the basis of the inquiry conducted till date no cognizable offence has been found to be committed in the present case. Therefore, the application/representation Annexure P-1 is recommended to be filed in records.

Hence, in view of the submissions made above, since the petitioner's complaint dated 28.07.2025 (Annexure P-2 & Annexure P3) has already been decided and as far as concerned to the retrieval of petitioner's original educational and identity documents has been reported to be held with the petitioner's itself and there is no coercion, pressure or harassment is caused to the petitioner or his guardians by any of the respondent, and he is allowed to peacefully pursue his studies and future goals and no action is warranted and the present petition become infructuous and liable to be dismissed.
