**JAGMOHAN BANSAL, J. (ORAL)**

1. The petitioners through instant petition under Articles 226/227 of the Constitution of India are seeking direction to respondents to restore electricity connection bearing Meter No. 607925 which has been disconnected by respondents.

2. On 16.10.2025, this Court noticed the fact that electricity supply has been disconnected on the ground that petitioner after his father's death did not apply for transfer in his name. The matter was adjourned to 21.01.2026 and respondents, in the meantime, were directed to restore electricity supply. The petitioner was directed to pay any amount which is found due.

3. As noted in order dated 21.01.2026, the respondent has restored petitioner's electricity supply.
4. Learned counsel for the respondents submits that electricity stands restored and connection also stands transferred in petitioners' name, thus, petition has rendered infructuous.
5. Learned counsel for petitioners expressed his inability to controvert aforesaid statement.
6. In the wake of statement of both sides, the petition stands disposed of.
7. Pending Misc. application(s), if any, shall stand disposed of.
