HARSH BUNGER J. (ORAL)

Petition herein is, *inter alia*, seeking a writ in the nature of Mandamus, directing the official respondents to take remedial measures on the ground that the street situated in front of the petitioner's house, as well as the houses of other village residents, has been constructed at a level higher than the foundation level of the said houses

1.1 It is alleged that due to the higher level of the street, the petitioner is facing issues of water logging in his house.

2. At this stage, Mr. Jivesh Malik, Advocate, appears on behalf of respondents No. 2 and 4 and submits that although some water had

accumulated during the laying of the street on account of choking of the drainage system, however, the said issue has already been resolved. He further submits that in case, the petitioner or any other village resident faces any difficulty on account of drainage or water logging, they may immediately approach the Municipal Committee, Cheeka, District Kaithal, and the said grievance shall be duly addressed.

3. Learned counsel for the petitioner submits that, keeping in view the aforesaid stand taken by learned counsel for respondents No.2 and 4, he may be permitted to withdraw the present writ petition at this stage.

4. Keeping in view the aforesaid submissions made by learned counsel for the respective parties, no further orders are required to be passed in the present writ petition and the same is, accordingly, disposed of.

5. All the pending application(s), if any, shall also stand closed.
