1. The present contempt petition has been filed for deliberate and intentional disobedience of order dated 01.06.2022 passed by this Court in CWP-12433-2022. The relevant portion of the same is reproduced as under:-

“Perusal of letter dated 17.09.2014 issued by respondent No.2 to the President, Society for Prevention to Cruelty to Animals (SPCA), Sector-38 (West), Chandigarh would show that respondent No.2 is also in favour of promoting transparency and accountability in the affairs of the organization.

Even otherwise, the prayer made in this petition is innocuous enough to be accepted.

It would be in the interest of animal lovers and the administration that photography and videography at the premises of Society for Prevention to Cruelty to Animals (SPCA) are permitted.

It is expected that the persons aspiring to do photography and videography would visit the Society for Prevention to Cruelty to Animals (SPCA) as per time schedule and would not indulge in any such practice which may impede the norms of the Society.”
