Divisional Engineer, Ludhiana Division, Punjab Water Resources Management and Development Corporation ,has been filed on behalf of respondents No.2, 3 and 6, wherein it has been stated that alignment has been changed by order dated 23.01.2025, Annexure A2. Reference has also been made to the site-plan, Annexure A3 appended with the affidavit. Counsel for the aforesaid respondents has taken an objection that petitioner has neither challenged the order, Annexure A2, nor the amended plan.

4. Faced with this stand, counsel for the petitioner has sought permission to withdraw the present petition. He, however, states that as wheat crop is likely to be harvested in the month of April, 2026, adequate protection be given to the petitioner.

5. Request made by the petitioner is accepted.

6. Writ petition is dismissed as withdrawn.

7. It is clarified that till 30.04.2026, respondents shall not lay the pipeline through the agricultural field of the petitioner so as to enable him to harvest the wheat crop.
