CORAM:- HON'BLE MR. JUSTICE JASGURPREET SINGH PURI.

Present:- Mr. K.S. Kang, Advocate for the petitioner.

JASGURPREET SINGH PURI.J (Oral)

1. All these aforementioned revision petitions are being disposed of by this common order as the issue involved therein is similar.
2. Learned counsel for the petitioners submits that the only issue involved in the present revision petitions is that the learned Executing Court has directed to attach the account of the Judgment Debtor i.e. the present petitioner-National Highways Authority of India and thereafter an application was moved seeking de-attachment of the account of petitioner situated at Delhi, whereas infact the local account of the Project Implementation Unit was directed to be attached. He also submits that as per paragraph no.6 of the impugned order (Annexure P-11), it has also been so observed by learned Executing Court that in case, if, there is some mistake on the part of the bank while attaching the account, then, anybody

can bring the same to the knowledge of the court and corrective measures can be taken. He submits that he may be permitted to file an application with regard to the aforesaid correction to be made namely substitution of account of Union of India, Delhi with that of the local account of Project Director, Implementation Unit of the district.

3. In view of the above, present revision petitions are disposed of. Liberty is granted to the petitioner-National Highways Authority of India to move any such application before the learned Executing Court seeking clarification and correction, if, required. In case, any such application is filed, the learned Executing Court shall consider the same in accordance with law and pass an order as expeditiously as possible and preferably within a period of two weeks from the date of the receipt of the application by the court.

4. The revision petitions are disposed of in the above terms.

5. All the pending misc. application(s), if any, shall also stand disposed of.
