	27.10.2026		**WPSB/25/2024** Dr. Suresh Kumar & others --Petitioners **Versus** State of Uttarakhand & others --Respondents **Hon'ble Manoj Kumar Tiwari, A. C. J.** **Hon'ble Subhash Upadhyay, J.** ***(Per: Hon'ble Manoj Kumar Tiwari, A.C.J.)*** 1. Mr. Mahendra Singh Rawat, learned counsel for the petitioners. 2. Mr. B.P.S. Mer, learned Standing Counsel for the State of Uttarakhand. 3. Petitioners took admission in MBBS course in Government Medical Colleges in Uttarakhand against subsidised seats by executing a bond that they will serve in hilly / remote areas of Uttarakhand for a period of five years. Petitioners successfully completed MBBS course in different years and, thereafter, they rendered prescribed length of service as required under the bond. 4. In this writ petition, petitioners have staked claim for salary and other monetary benefits for the services rendered as per the bond, at par with regularly appointed medical officers. They have relied upon a Government Order dated 05.04.2019 for claiming such benefits. 5. Learned counsel for the petitioners has placed reliance upon a judgment rendered by Co-ordinate Bench in WPSB No.179/2018. He submits that this

			writ petition deserves to be decided in terms of that judgment and the respondents be directed to pay salary and other benefits at par with regularly appointed medical officers. 6. Learned State Counsel, however, submits that even though medical colleges at Pauri and Haldwani are both run by State Government, however, the conditions of the bond, which students were required to execute at the time of admission, were different in the two medical colleges. 7. He submits that, in respect of Government Medical College Pauri, it was provided in the bond that the service rules applicable to regularly appointed medical officers would be applicable to those appointed on contract as per the bond, while there was no such clause in the bond which students were to execute while taking admission in Haldwani Medical College. He submits that petitioner no.1 passed MBBS course from Government Medical College, Haldwani and the relevant clause providing for equal salary was altogether missing from the bond. 8. Having regard to the averment made in para-9 of the counter affidavit, the writ petition is disposed of with direction to the Secretary, Medical Health to examine the claim of the petitioners except petitioner no.1 in the light of the judgment rendered in WPSB No.179 of 2018 and if they are found eligible, to release salary and other monetary benefits, to them

			within six months from the date of presentation of certified copy of this order. 9. As regards petitioner no.1, he shall be at liberty to make representation to the Secretary Medical Health and Family Welfare. If he makes representation staking claim for monetary benefits at par with regularly appointed medical officers, his claim shall be examined and decided by the Secretary concerned, as per law within six months from the date of presentation of such representation. **(Subhash Upadhyay, J.)
