ORDER

19.05.2026

%

1. Petitioner seeks quashing of case FIR No. 423/2022 of PS Jafarabad for offence under Section 287/337 IPC on the ground that the complainant *de facto* (respondent no.2) has compromised the disputes with the petitioner.
2. In furtherance of last order, report dated 18.05.2026 of Commissioner Workmen's Compensation was filed, giving specific calculations in accordance with law and as per the same, the total compensation payable to the petitioner would be Rs.12,28,446/-. The matter was listed before the Commissioner Workmen Compensation for final arguments when the so called compromise was recorded. It is extremely unfortunate that the authority created for welfare of the workmen did not care to examine this aspect and approved of a settlement in which the workman who had lost his

hand while working in the factory was offered a compensation of only Rs.7,25,000/-, that too by way of instalments and only after quashing of the FIR.

3. On being pointed out the aforesaid, counsel for petitioner seeks permission to withdraw this petition.

4. The petition is dismissed as withdrawn.

5. However, copy of this order be sent to the Secretary, Ministry of Labour & Employment for information with the hope that those appointed in such offices are sensitized about the total disparity between the management and the workmen.
